Praise to the Lord the Almighty

Praise to the Lord, the Almighty
The King of creation
Oh, my soul, praise Him
For He is thy health and salvation
All ye who hear
Now to His temple draw near
Praise Him in glad adoration
All ye who hear
Now to His temple draw near
Praise Him in glad adoration

This is the Day

I will rejoice in the Lord
I will exalt You, my God, my Maker
Every day, every day
I will give thanks to the King
Great are You, Lord, I will rise up and sing
Every day, every day

For this is the day You have made
I will rejoice, I will lift up my praise
This is the day You have made
Lord, You are faithful in every way
I will lift up my hands in Your name
Every day
For this is the day You have made

God, You are mighty to save
You take my sadness and turn it to praise
Every day, every day
Lord, You're my strength and my song
All of the glory to You, it belongs
Every day, every day

Hallelujah, You are worthy
Hallelujah, thanks and praise
Hallelujah, so deserving
Hallelujah, every day

I Have a Song

When the world is up against me
When it seems I've lost it all
And my back's against the wall
When my heart's grown dry and empty
When the life that I had planned
Is slipping through my hands

I hear sweet music rise above it all
And when it seemed my hope had ended, I was wrong

I have a song
And I'm singing to my Savior
Singing to the One who set me free
I have a song
And my heart will ever praise Him
This world can never take this joy from me
When all else is gone
I have a song

When I cannot see tomorrow
When the questions flood my mind
Looking back on wasted time
When my soul is full of sorrow
When the pain won't go away
And such brokenness remains

I join the music rising far above it all
It's an anthem to my true and faithful God

I sing because I'm happy
I sing because I'm free
For His eye is on the sparrow
And I know He watches me!

Jehovah Shalom

Jehovah Shalom
Jehovah Shalom
You are my Peace
You are my Peace

In the darkness Your presence wraps around me
Like a blanket of rest that covers me
When my heart is overwhelmed
You're my Comfort and my Help
You are with me

Jehovah Shalom
Jehovah Shalom
You are my Peace
You are my Peace

When the pain of my yesterday's before me
And the fear of the future floods my soul
You are singing over me
Deliverance and healing
You'll never let me go

Your Spirit soothes me
Fills and renews me
I am completely in need of You

Tis So Sweet

Tis so sweet to trust in Jesus
Just to take Him at His Word
Just to rest upon His promise
Just to know "Thus saith the Lord"

Jesus, Jesus, how I trust Him!
How I've proved Him o'er and o'er
Jesus, Jesus, precious Jesus
O for grace to trust Him more!

I'm so glad I learned to trust Him
Precious Jesus, Savior, Friend
And I know that He is with me
Will be with me to the end

Jesus, Jesus, how I trust You
How I've proved You o'er and o'er
Jesus, Jesus, precious Jesus
O for grace to trust You more!

Boundless

Your love knows no limits
Your love knows no bounds
Wider than oceans, taller than mountains
Love flowing down
Your love is constant
Your love is true
There is no ending and no beginning
Love's always been You

Your love is boundless
Ageless
And even when all hope is gone
Love just goes on and on
Your love is patience
Kindness
Love keeps no record of wrong
Sin left a stain, but those pages are gone
Love covers it all

So, now I'm forgiven
Love set me free
Now I am living and longing to love
The way You have loved me
There's nothing sweeter
No greater love found
Than when I surrender my all for another
And lay my life down

I could say the right words
And do the right things
But if I don't have love I gain nothing
I could give all I have
To a world so in need
But if I don't have love, it's so empty
True love always trusts
Protects and believes
Love doesn't give up or act selfishly
It won't envy or boast
O, God let it be
That this kind of love is living through me

Becoming

Who am I becoming?
Have I grown to look like You?
Has love been carved into my heart?
Oh, Lord, I pray it's true
Do I ache inside to feel Your smile
And to gain what I can't lose?
Who am I becoming?
I long to be like You

Who am I becoming?
Would a stranger find You here?
Could they recognize You in my life?
Would my love for You be clear?
Do I treasure all that's dear to You
See the world through mercy's eyes?
Who am I becoming?
Can they see Your face in mine?

Lord, I want to look like You
To walk like You
To talk like You
To breath the air You're breathing in
To hear You call me "friend"

Who am I becoming?
I am clay within Your hands
And if You must use fire to form me
I trust what You have planned
For beauty shines in purest light
When it's tested and found true
I pray I am becoming
Beautiful like You

That's who I'm becoming
That's who I'm becoming
That's who I'm becoming
Just a child who longs to find
That more with every passing day
Lord, You are magnified

Nothing Can Separate Me

I could climb the highest heights
Travel far beyond the sky
Even there I know You'd find me with Your love
I could cross the distant seas
Walk through valleys dark and deep
Even there I know You'd reach me with Your love

Nothing can separate me
Nothing could ever take me
Take me from Your love
There's nothing strong enough
Nothing can separate me
Nothing could ever take me
Take me from Your love
The love of Jesus

Not tomorrow or today
Not my joy or deepest pain
There is nothing that could keep me from Your love
Not in life or even death
Not one pow'r of hell or heaven
For I know You'll always find me with Your love

There is no fear
I'm in the perfect love of Christ
I'm resting here
And You will keep me through the watches of the night

How Holy

No one on earth could fathom
How wonderful You are
Your glory fills the heavens
My heart longs to respond
Before Your throne one day I'll bow
But with each glimpse, Lord, even now
I am overwhelmed by who You are
Singing...

“Holy, holy, holy is the Lord, God Almighty”
My heart is crying, “Worthy is the Lamb upon the throne.”
“Holy, Holy, Holy” - how Your glory keeps unfolding
All the honor, thanks and praise are Yours alone
How holy, holy, holy are You, Lord

Creation's bringing praises
Thanksgiving to Your name
Multitudes of angels
Surround the throne of grace
So I will join the chorus strong
Lay my life down, every crown
For all You've done and everything You are
Singing...

I am bowing down again
I am bowing down again
I am lifting up my hands
I am lifting up my hands

Cling

When the night is long
When I yearn for deep peace to come
I strain to hear Your song
But suddenly I know I'm not alone

For You settle over me
Dispelling all my fears
My Father, I know You are here

May Yours be the only smile I need to see
May You be the healing washing over me
With Your arms around me
Your peace surrounds me
And may it only be You
I cling to

I set out on this road
So many voices call to my soul
They try to fill my cup
But I have found, sweet Lord, that You're my enough

So I'm staying close to You
You hold me to Your side
My Father, the joy of my life

Break any hold
This world has on me
I'm letting go
And I throw myself at Your feet
There's just one thing
One single thing I need
To know the very One who formed me

Psalm 23

You are my Shepherd
I shall not want
You make me lie down
In pastures so green
You lead me beside
Waters so calm
And You are restoring
Restoring me

You lead me in paths of Your righteousness
All for the sake of Your name
If I walk through the valley of the shadow of death
I will not be afraid

For You are my Shepherd
And You go with me
Your rod and Your staff
Bring comfort and peace
You set me a table
Before my enemies
You anoint me with oil
My cup is overflowing

Each day Your goodness and mercy will be
Following hard after me
And I will dwell in the house of my Savior and King
For all eternity
For all eternity

You are my Shepherd
I shall not want
You make me lie down
In pastures so green
You lead me beside
Waters so calm
And You are restoring
Restoring me
Yes, You are restoring
Restoring me
I know You're restoring
Restoring me
